This invoice is payable in U.S. funds, net cash on presentation. Mail checks to the above address. A service charge of 2% will be charged on all past due accounts over 30 days, plus collection costs.

The amount of duty shown is estimated and is payable to the Bureau of Customs & Border Protection (CBP) to obtain release of your goods by CBP. Upon examination, changes may be made which compel us to call for additional duty. If duty is overestimated, a refund will be made upon liquidation by the CBP. If you are the importer of record, payment to the broker will not relieve you of the liability for CBP charges (duties, taxes, or other debts owed CBP) in the event charges are not paid by the broker. If you pay by check, duty may be paid by a separate check payable to Bureau of Customs & Border Protection. **Payment to the broker will not relieve you of liability for Customs charges in the event the charges are not paid by the broker.**

Except for CBP entries and duties, we are independent contractors. The submission of incomplete or inaccurate information related to an import entry, including descriptions, quantities, weights, purchase prices, discounts, commissions, changed selling prices at time of exportation, assists, country of origin, etc., makes you liable to severe governmental penalties or sanctions. In the event the information forwarded to us, or which accompanied the shipment does not reflect the entire transaction, it is essential that you immediately notify us so that we can take corrective action. A bond has been posted to CBP guaranteeing the redelivery of any merchandise not conforming to the law or regulations of any government agency. It is agreed that we are only acting as your agent and that you will reimburse, indemnify, and hold us harmless from the payment of any duties, additional duties, losses or damages imposed by any law or regulations of any government agency in connection with the shipment of the goods. It is further agreed that we are not responsible for shortages or losses of goods carried by common or private cartage nor are allowances allowed of duty or charges on any portion of lost merchandise.
